Local Delivery

Delivery across the Maharashtra state including rural areas. We do deliveries for retailers, Manufacturer and corporates. We provide time-definite and absolutely safe deliveries, 365 days a year.

Long Distance Moving

We collect the goods from the manufacturers premises and load it in containerized fleets safely and deliver it to their consumers across India.

Third Party Logistics

We offer third party logistics solution ranging from designing, implementing to operating the complete supply chain. These solutions allow organizations to focus on their core competencies by reducing costs and streamlining delivery schedules.

Corporate Contracting

We do long-term contracting with corporates for any logistical services for their employees. We handle activities such as shifting their personal household material when they ask employee to relocate to other location, so we help them for hassle free shifting.

OUR SERVICES

It is very important to select a good logistic partner for your company. Your company must be able to depend on its logistic partner in order to uphold and continue its own engagement of quality and services towards on your own customers, while considering service level, flexibility and cost.
