About Our Company

Sunrise Logistics is a growing freight and delivery services company dedicated to providing reliable, timely, and cost-effective logistics solutions. Operating under the network and guidance of major logistics leaders Mass Logistics and Delhivery, Sunrise Logistics plays a crucial role in last-mile and intercity delivery.

With a fully managed fleet of 10 trucks and a strong workforce of 25+ trained staff, we specialize in contract-based goods transportation, supply chain coordination, and delivery distribution across urban and semi-urban locations.

We believe in efficiency, accountability, and performance—delivering goods on time, every time.

Our Vision

- To be a leading force in regional and national logistics, delivering excellence through innovation, reliability, and customer-focused transportation solutions.
- To emerge as a preferred logistics partner through consistent service quality, operational excellence, and a commitment to empowering supply chains across India.
- To be recognized as the most dependable and efficient logistics partner in the industry, known for our commitment to service, safety, and scalability.

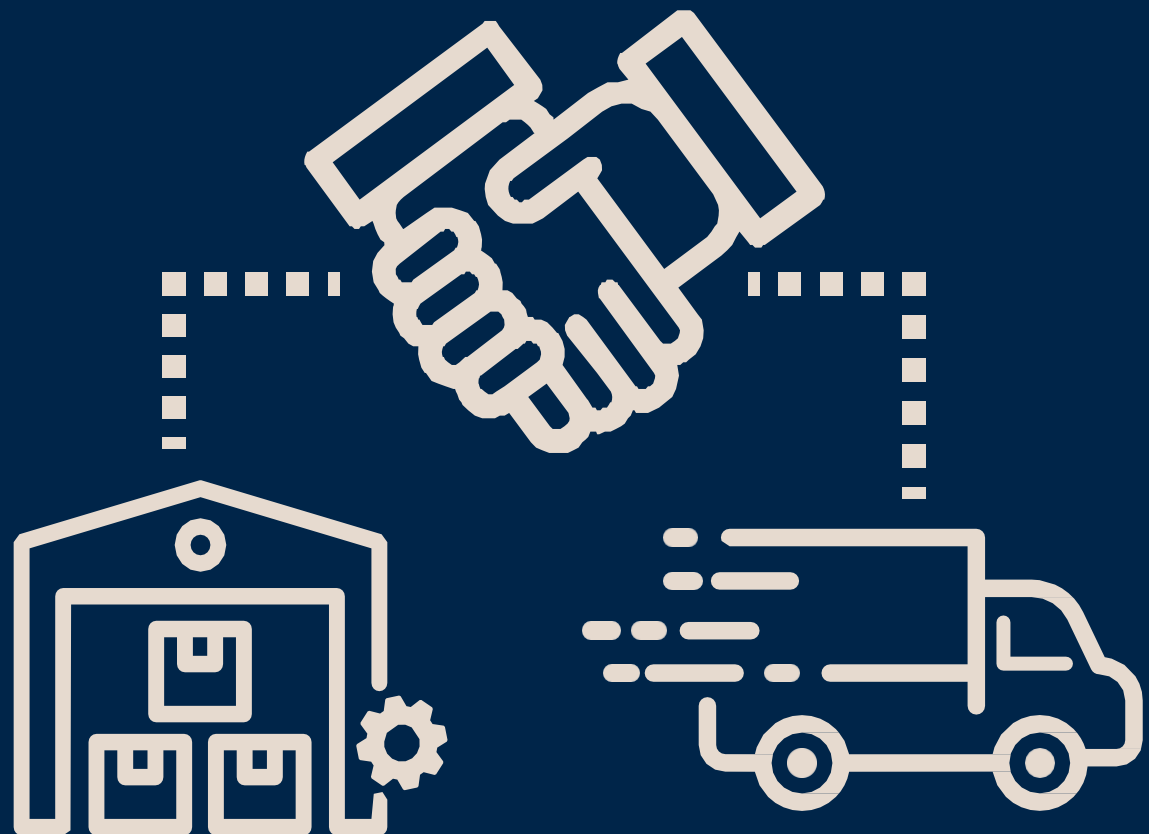

Our Mission

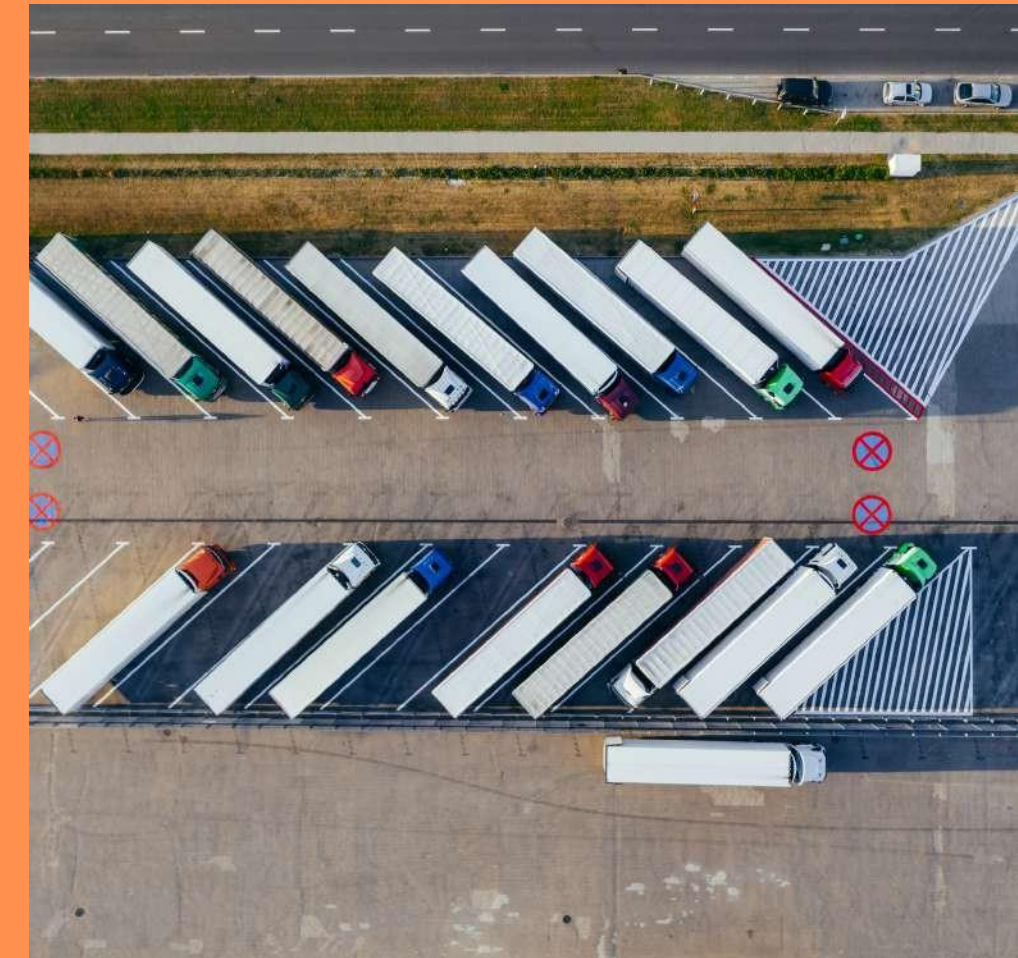

At Sunrise Logistics, our mission is to build a strong, service-driven logistics company that delivers real value to our partners and customers. We are committed to:

- Empowering Businesses Through Reliable Logistics
Supporting B2B and B2C clients with dependable delivery solutions that help them meet market demands, improve customer service, and grow faster.
- Investing in People and Performance
Training and empowering our team of drivers, logistics coordinators, and support staff to work efficiently, safely, and professionally.
- Expanding with Integrity and Purpose
Growing responsibly while maintaining transparency, ethical practices, and a focus on long-term relationships with our clients, partners, and employees.
